

Pure Kama Sutra: Sex Secrets for Modern Lovers

In Pure Kama Sutra, the sexiest ingredients from classic Eastern erotica—the Kama Sutra, Ananga Ranga, and The Perfumed Garden—are combined with current Western studies to form an exciting new sexual chemistry. An essential, sensual guide for every modern couple, its frank text and provocative photos show readers how to excel in the arts of seduction and foreplay, how to intensify each orgasm by mastering the skills of Tantric sex, and how to understand and explore their deep sexual natures. With dozens of imaginative ways to spice up lovemaking explained in unblushingly candid detail, the practical suggestions here provide an ideal reference for those already initiated into the benefits of Eastern techniques and a good starting point for those who have not yet experienced Tantric pleasure.
