

Less Than Frank: Gracie Lee Mystery Series #2 (Life, Faith & Getting It Right #12) (Steeple Hill Cafe)

Home Sweet Homicide My new job: Gracie Lee Harris, dead body finder. First it was my con man husband. Now its Frank, the no-good contractor renovating my apartment. I think Ray -- uh, Detective Fernandez -- is starting to wonder about me, since Im always sticking my nose into his homicide investigations. That could be the reason he keeps coming to question me . . . Frank was less than, well, frank, with people (shady behavior and more); now someone has made sure hes less than alive. They say God doesnt give us more than we can handle, but I wish He didnt think I could handle so much!
