

Ham Couscous Salad (Easy Reader Recipes Book 57)

This book contains the recipe for an easy salad with meat, vegetables, and pasta. It should be suitable for a main dish for a family if expanded. The recipe is presented in both easy, photo-enhanced versions that people learning to read or who have problems reading can follow because of related photographs and simple language, as well as a version for people who don't. In addition, Text-to-Speech is available for those units that can use it. People who are learning English or who have disabilities limiting their reading may enjoy this title, as well as young English-speaking children. A mom uses this series with her middle school daughter, a new cook, and adults use the recipes for food they can make very quickly. These titles might also come in handy for bad weather days because I've tried to stay away from strange, expensive, or hard-to-find ingredients.
