

Annie (An Annie Book)

It's a hard-knock life for America's favorite orphan! Everyone knows the story of the irrepressible Annie, who lives at Miss Hannigan's orphanage until she beats the odds and finds a new life with the benevolent and wealthy Daddy Warbucks. Annie has enchanted millions of readers from her original comic strip appearance to the hit Broadway musical. Now, with a Tony-nominated revival playing on Broadway, Puffin is reissuing this novelization of the classic story, with a new introduction by Tony and Emmy Award-winning author Thomas Meehan. This is an adaptation that delves even deeper into Annie's story, as she lives on the streets during the Great Depression, finds Sandy the dog, and encounters characters both familiar and new.
