

## Lovers Massage Kit: An Interactive Pleasure Game

Sex, and everything associated with it, should be playful, uninhibited, and imaginative. And that's exactly the spirit of this sexy massage kit for lovers. It goes way beyond the typical how-to book, with a unique format that features 90 massage cards: 30 techniques for her, 30 for him, and 30 for both of them. Gorgeous photographs, as informative as they are sensual, illustrate each card; the accompanying how-to text explains all the erotic massage basics. Among the loving touches couples can enjoy exploring together: a mind (and mood) altering temple of love massage and backscratches. And to add a little extra spin to the massage: the kit includes a six-sided die that turns the simple act of choosing a card into a sensual game for two.
