

Sex Change - Female to Male: An Essential Guide for Understanding the Process of Gender Reassignment Surgery and Getting to Know the New You ~ (Transgender Surgery Sex Reassignment Surgery)

Deciding to undergo sex change surgery is a life-altering decision that needs to be considered thoroughly. If you're at the point where being female is affecting your emotional and mental health, or where you simply hate yourself for being a female, then perhaps a female to male (FTM) sex change surgery is the best thing to do so that you can finally feel more authentic in your own body. Sex changes from female to male have been successfully done thousands of times all around the world. This success rate is excellent with more and more people opting to resolve their Gender Dysphoria through sex change in order to lead happier lives. Before moving forward though, there is a lot of important information that you should be aware of. But just as with any procedure, there are risks involved, and it's crucial that you are aware of them. Sex change can be a daunting process, especially if you don't know the specifics of and what to expect from the procedure. Knowing and understanding the process will make for a smoother transition to your new gender and social environment after the surgery. The process of changing gender is not as simple or straightforward as you may think. The World Professional Association for Transgender Health (or WPATH) has certain standards that must be met before you will be allowed to undergo surgery. Also, it's important to fully prepare yourself for the permanent, irreversible transformation that gender reassignment surgery will have on your entire persona. This book was written to provide you with various things you should consider as you make this critical life-changing decision. It's going to help you understand the process of gender reassignment surgery, and also explain what the actual steps are that you can follow. Included too are estimated expenses, as well as other advice and tips to help guide you along this life transformation.
