

The Shadow Witch

Long ago, in the Land of Shadows, lived the Shadow Witch, the one beautiful and loving creature in all that dim and darksome land that lies away from the Land of Fire, and between it and the Chimney Back. Close to her domain is the great Plain of Ash, where the giant, Curling Smoke, rises, where the crafty Ash Goblin lurks, where the boisterous Wind in the Chimney swoops down from out the Chimney Mouth. Here, I will tell you the story of how the Shadow Witch came to leave that grim land with its evil fairies, and why it is that she now dances with happiness amid the good fairies of the Fire, in the Land of Glowing Embers.
