

Peteys Great Adventure

Petey Alfalfa is a precocious four-year-old cockatiel with a taste for adventure and a knack for getting in trouble. When Peteys mom leaves town, Petey embarks on a cross-country journey with his four mischievous siblings and some neighborhood pals: an energetic puppy, an empathetic cat, a no-nonsense snake, and a laid-back fish. From the glamour of Las Vegas to the fast-paced, windy city of Chicago, the travelers encounter peril and excitement along with a menagerie of characters as they pursue their quest to reach Peteys grandma.
