

Single in the Scene: Navigating the Lifestyle Community as a Single Slave

Take your submission to the next level while embracing the single life. As a single submissive you don't have to spend every day trying to find a partner and lamenting your single status, you can learn to embrace your single life from someone who has done it all before and can show you how to use every strength to make your submission powerful. In this 50 page eBook, slave blyss guides you through understanding single submission and creating a powerful, fulfilling experience in your submissive journey. Explore Submission and Prepare for a Relationship. Single in the Scene helps you embrace submission and it's perfect for you if you are:

- * newly submissive: you don't know what you are looking for yet but you know you need confidence to learn and grow in submission.
- * fresh out of a relationship: you are healing and moving forward and not ready to partner up again.
- * committed to explore while single: you love being single and want to embrace submission as an adventure to understanding yourself.
- * feeling lost: you see a wide world ahead of you and need help organizing your thoughts and desires.
