

Sleep Tight, Little Bear with DVD

Little Bear learns that its fun to venture off by yourself, but even better to know that you can go home again in this heart-tugging ode to the endearing, enduring bond between Big Bear and Little Bear. One day Little Bear discovers a new cave thats the perfect size, just for him. He plays in it all day, eats supper there, and, with Big Bears permission, even gets ready to spend the night. But when the big moon shines overhead and Little Bear is lying there all by himself, he suddenly realizes that Big Bear might be getting lonely back in the old Bear Cave. Perhaps its time to go home. Big Bear and Little Bear, stars of *CANT YOU SLEEP, LITTLE BEAR?* and other beloved picture books by Hans Christian Andersen Medal winner Martin Waddell, are back in another classic story, lovingly illustrated with deft humor by Barbara Firth.
