

## S.M.A.R.T.S. and the Poison Plates

Kids are getting sick after lunch . . . and its not because of questionable cafeteria food. Its poison! But there are only two groups tossing their cookies: the super-cool girls and the comic book buffs. Who would hold a grudge against such opposite cliques, and why would they want to poison them? When theres a school mystery that needs solving, the S.M.A.R.T.S. are ready to put their sharp minds to the test! It will take their best critical-thinking skills and scientific reasoning to get to the bottom of this lunch period puzzle.
