

Snakes: Beautiful Pictures & Interesting Facts Children Book About Snakes (Animals Knowledge Series)

Facts about Snakes The snake has been an object of fear for many cultures for a long time. After all, its representation of evil in the Bible and the fact that some of them are poisonous has been passed for generations.

However, we cannot ignore the fact that snakes have a purpose for their creation. Thus, it is important that we study about them. This book will provide you with the basic facts about snakes.
