

# Sox and the City: A Fans Love Affair with the White Sox from the Heartbreak of 67 to the Wizards of Oz

Over the last 40 years, Richard Roeper has attended White Sox games, watching as his team established a losing streak that was almost unparalleled in major league baseball history. In this account of what it was like to grow up a White Sox fan in a Cubs nation, Roeper covers the recent history of the organization, from the heartbreak of 1967 and the South-Side Hit Men to the disco demolition and the magical 2005 season when they became world champions. Encapsulating what it means to be a baseball fan, root for the same sorry team no matter what, and find vindication, this history of the White Sox is flavored with trivia; anecdotes about players, owners, and broadcasters; plus Roepers own humorous and personal reminiscences.
