TESTIMONIALS Hi Sam, I bought your House Cleaning ebook last month and already have 7 customers!!!! I absolutely love your book and when I venture off to office cleaning, I am definitely getting the Office Kit too! Lori Hoffmann, Missouri, Hoffmann Cleaning Services I wish to thank you for the always useful information you have provided. We had already had an active residential cleaning service operating in Quebec, Canada, when I found you and downloaded 2 of your business products. While we work in metric for the most part, and our languages are different, your information has been MORE than worth every penny.

Tim MacKinnon, Canada Maid In Montreal We have been getting residential calls like crazy. Who are we to turn them down? We landed a lawyer and a nurse who both need 2 cleanings a month. Now her next door neighbor wants two cleanings a month! We seriously have to think about taking on a worker because my wife and I both have real jobs. But you know what Sam? The cleaning business is real too! Bottom line is Sam, your book works. Even in a recession! Keep up the good word and keep giving God the glory! Take care now! Jon Jonjens Janitorial
