

Success Leaves Clues: Practical Tools for Effective Sales and Marketing (Taking Control)

Success Leaves Clues is a must read for anyone involved in business. Students, business people and marketing professionals will benefit from a review of the basic rules for marketing strategy as well as the practical applications presented. This book is the right mix of theory and practice. The strategies presented are actionable for any organization.-- George Latella, Marketing Manager, Tasty Baking Company This book has been an invaluable resource in working with our account executives and key account personnel in helping them integrate the emerging marketing trends into their account planning. The knowledge gained and combined with our ongoing strategies has resulted in beneficial sales for both Campbells and the customers.-- Bob Steenrod, Manager, Campbell Sales Company
