

Oh Really, Riley?: The Story of Rileys Trick Shop and the Family Behind It

For more than seventy years, Rileys Trick Shop has been a source of fun for generations of families who live on the south side of Chicago. Founded in 1937 by Jim and Eleanor Riley, the shop stocks joy buzzers, whoopee cushions, and fake vomit; they greet their customers like old friends. In *Oh Really, Riley?*, the owners son, Jim Riley, details the true story of his familys long-time business. In 1937, the Rileys dream was simple-to eke out a living during the Great Depression. From before World War II to the dawning of the new millennium, Riley shares how the business managed to survive through dedication, perseverance, pranks, and laughs amid the cornucopia of gags, party items, and costumes. Riley narrates the fascinating story of how one kernel of popcorn somehow expanded into a trick shop that would become the center of a community, serving as a gathering place for amateur magicians and jokesters alike. In the spirit of the continued success of every small family businesses, *Oh Really, Riley?* spans seven decades as it shares the compelling story of one mans dream and how he made it come true.
