Bestselling novelist Carl Hiaasen is back with another hysterical mystery adventure for young readers, set in the Florida Keys. You know its going to be a rough summer when you spend Fathers Day visiting your dad in the local lockup. Noahs dad is sure that the owner of the Coral Queen casino boat is flushing raw sewage into the harbor which has made taking a dip at the local beach like swimming in a toilet. He cant prove it though, and so he decides that sinking the boat will make an effective statement. Right. The boat is pumped out and back in business within days and Noahs dad is stuck in the clink. Now Noah is determined to succeed where his dad failed. He will prove that the Coral Queen is dumping illegally . . . somehow. His allies may not add up to much his sister Abbey, an unreformed childhood biter; Lice Peeking, a greedy sot with poor hygiene; Shelly, a bartender and a woman scorned; and a mysterious pirate but Noahs got a plan to flush this crook out into the open. A plan that should sink the crooked little casino, once and for all. From the Hardcover edition.
