

Feeling adventurous? In this witty and well-informed guide, bestselling author Violet Blue explains how to choose and use sex toys to play and explore together — and have mind-blowing sex. With a practical, sex-positive approach, she leads readers through the maze of sex toys on the market, explaining the many options available, including different materials, care and cleaning, and how to see through exaggerated marketing claims. Along the way Violet offers tips on creative usage and ideas for introducing sex toys to a relationship: how to ask your boyfriend to use the blindfold in your bedside drawer or how to surprise your wife with a saucy gift without getting your face slapped (unless that was the point). But why stop with the basics? Care to enact a threesome fantasy with two people? Set up the sexiest lighting for a webcam show? Dream of owning a steel cage dining table for captivating dinner parties? From the tried-and-true to the truly spectacular, it's here in *The Adventurous Couple's Guide*. Some of the tips and tricks you'll learn: • fun and creative ways to bring sex toys into the bedroom • how to enact sexy fantasies with toys • hot strap-on sex tips • vital communication skills
