

## The Chase ( Book #1): A Novel

Get caught up in The Chase Jill Lewis is known to her colleagues in Washington, D.C., as a tough investigative reporter--someone who pulls out all the stops to expose the political underworld of Capitol Hill. But when she breaks what should be the biggest story of her life, Jill is bewildered to find herself out of a job and sent packing. Returning to her hometown of Delavan, Wisconsin, to lick her wounds, she must settle for work at the town's small weekly newspaper. Jill is afraid the very tameness of her new life will be enough to send her over the edge. But the former Washington Gazette star soon finds herself caught up in a chilling race to uncover the evidence that will help her reclaim her job, preserve her family's reputation, and save her life. The Chase is on and Jill can't afford to lose.
