

Babys Christmas (Little Golden Book)

In her signature style, Eloise Wilkin explains to Baby what to expect during Christmastime--from making cookies and singing carols, to trimming the tree and opening presents on Christmas morning! The gentle, soothing text is perfect for reading aloud, and the warm, cozy illustrations make sure that sharing this book with a young child will be a pleasure. Originally published as a board book, this re-issue in a larger, brighter format is sure to bring joy to a whole new audience.
