

## ?THE DEVELOPMENT OF IRAQI OIL PRODUCTION 1972-2003?: The Iraqi Oil Industry under the Influence of Saddam Hussein

A research about the Regime, which was overthrown by the US-led coalition in 2003. The investigation explains the reasons of the Operation Iraqi Freedom. Iraq was unable before 1972 to reach a larger development of its Oil- industry. It tried permanently to destabilize the successful oil producing countries of the region, for instance, Iran, Saudi Arabia and Kuwait. The influence of the Soviet Union grew in Iraq since the early 1970?s. Saddam Hussein represented the policy of the Warsaw Pact in his own country and in the Middle East. The permanent conflicts with Iran and Kuwait and the Blockade of the United Nations hindered a further development of the Iraqi Oil Industry. The Operation Iraqi Freedom in 2003 stopped Iraqs last try to reach a larger oil-market
