

## The Funniest Spooky Joke Book Ever

What happens if you see twin witches? You won't be able to tell which witch is witch. What did the skeleton say when his brother told a lie? You can't fool me, I can see right through you. Will: Mum, all the children make fun of me. Mum: What do they say? Will: They say I'm a werewolf. Is it true? Mum: Of course not. Now comb your face and get ready for supper. These and many more howlers to make you laugh your head off (in most cases not literally).
