

My name is Lily. I am 9 years old and I love to write books. I think kids writing books for kids is a great idea. This series is about a silly hamster named Hammy and how he learns different character lessons. In Hammy Learns Gentleness he will go on many adventures... and even teach his teacher how to make a robot. I wrote and illustrated this book. It has 1800+ words and 5 original pictures. I hope you enjoy it. Lily
