

When the Wind Blew

While Big Bear and Little Bear are snuggled up for the night, a wild storm rages. The bears wake up to find that the wind has knocked down all of the trees in their forest, they'll have to move. Little Bear is distraught. He loves their home! But Big Bear helps him understand that home isn't where you are, but who you're with. Author and illustrator Petra Brown's sweet, superbly rendered characters and tender story are perfect for helping little ones deal with a move or change.
