**IGNITE THE RICHES WITHIN** By Learning the 5 Traits of Highly Successful Self-Made Entrepreneurs How to make your first million dollar with little or no money and without having something unique to offer? The shocking truth is that only 2.1% of the adult population is gifted and 95.4% of us think alike. What that means to you is that there are at least 100s of people in your city alone who share your talents, your knowledge, and skills. Even worse is that no matter how hard you try to come up with a unique business idea, there is at least one person in the world who has already thought of it, is thinking of it right now, or will be thinking of it quite soon. This makes you wonder if your business ideas, your talents, or your skills, as is, can ever be worth \$100,000 set aside a million dollar. Fortunately there's a solution and it is called Trash-into-Cash 30-minute mini-Course. Here's what you get with Trash-into-Cash mini-course: Five examples of ordinary products that brought millions so that you find your true self-worth, get inspired to surface your dormant business ideas, and come up with new business ideas. On-Point success stories of the highly eccentric entrepreneurs behind these million dollar business ideas so that you boost the riches within, gain confidence in your abilities, learn from their success, and get motivated to act. Researched and written by successful advertising business partners, these brief success case-studies are leaving out the junk and giving you the juice. They share with you the main simple trait that these successful entrepreneurs had that contributed to their success, and quote these millionaires on invaluable business success tips. Recipe to stand out: To make your financial success bulletproof, at the beginning of each story, the authors share with you a success trait so that you can turn

any ordinary idea into an extraordinary business. Here is what resolving self-doubt means in your entrepreneurial life; it means less money and time spent on product fulfillment, more perseverance and out-of-the-box approach in times of challenge, and ultimately more sales revenue and financial freedom. Knowing your worth can bring you a million but the gratitude that comes with it is priceless. Now you can have an instant self-worth boost when you get Trash into Cash mini-course.
