

# Benny The Baffled Behemoth

Benny Behemoth is a dinosaur living in a black and white world. As he journeys through his week, he experiences different emotions resulting in a very colorful condition that causes him distress. As he seeks answers to questions regarding his uniqueness and its purpose, a wise, old behemoth introduces him to his King Creator. Benny accepts his colorful condition and circumstances as he recognizes he is a royal heir to the King Creator and proudly wears the Kings color on his heart. This book contains questions for Feedback and Interaction between adults and children.
