

EARLY HISTORY OF INDUSTRY & SCIENCE. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. Acting as a kind of historical Wall Street, this collection of industry manuals and records explores the histories of thriving industries such as: construction, textile (especially wool and linen), salt, livestock, and many more.

++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: +++++

The vwindie yeare Shewing many strange accidents that happened, both on the land, and at sea, by reason of the winde and weather. With a particular relation of that which happened at Great Chart in Kent. Anon. Running title reads: The windy yeere. Signatures: A4 (-A1) B-D4 (D4 blank). [30] p. London : Printed by G. Eld. for Arthur Iohnson, dwelling at the signe of the white Horse in Pauls Church-yard neere the great North-dore, 1613. STC (2nd ed.) / 26092 English Reproduction of the original in the Folger Shakespeare Library

++++ This book represents an authentic reproduction of the text as printed by the original publisher. While we have attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature.
