

## Wacky World Spot What! (Spot What! 3D Seek and Find)

Children will love the 3-D glasses as they discover loads of things on each page! Each page has a list of items that have been concealed within the images on the page. Children will work their way through the lists and see just how good a spotter they are! There are also some extra challenges on each page. You can take on the challenge by yourself or you can battle against another player to discover who the ultimate spotting champion is! The game rules are supplied. By using the 3-D glasses that come with the books, each page takes on a new appearance. Stickers are also included with each book that allow the readers to play a Spot What Sticker Game. Hours of fun within each book. In Wacky World Spot What! children will enjoy the various games that can be played with the 3-D glasses and the stickers. The hidden items will pop off the page when the 3-D glasses are worn. Ages 4 and up.
