

When Someone You Love Is Kinky

Many, many people have sexual interests or practices that are in some way unusual. These people may enjoy bondage or spanking, erotic role-playing, dressing in special clothes that turn them on, or a host of other activities that place them outside the sexual mainstream. Your mechanic might have an alternative sexuality, or your librarian, or your kids teacher, or your boss.... If someone you love has a sexual kink, or if you suspect that she may, and you want to know more about what that means to her and how you can deal with what it means to you, this book is for you. When Someone You Love Is Kinky will do more for family values than anything the right wing ever dreamed up, because it lets people communicate and love and respect each other on the basis of who they really are. A wonderful contribution towards a more sex-positive culture. - Dr. Carol Queen, author, Real Live Nude Girl Dossie Easton and Catherine A. Liszt, both wise and compassionate women, and both players in the world of kink, welcome the reader gently into that world and answer everything anyone might have wanted to ask but was really afraid to find out. - Isadora Alman, syndicated sex and relationship columnist
