

Where Have You Been?

Where has the Little Old Cat been? To see this and that Said the Little Old Cat . . . Where does the Little Old Fish swim? Wherever I wish Said the Little Old Fish . . . Have you also wondered where a cat or a squirrel has been or where a bird flies or a whale sails? How about why a bunny runs? With playful, rhyming verse, *Where Have You Been?* perfectly captures the wonderful, wise questions that children ask every day. The treasured text by Margaret Wise Brown, author of *Goodnight Moon*, has been newly illustrated by two-time Caldecott Medalists Leo and Diane Dillon, creating a picture-book classic that children will love to see, to hear, and to read again and again.
